TYM TRACTORS

T413

HOW DO WE STACK UP?

TYM WORLD - QUALITY. FEATURES. COMFORT. PERFORMANCE.

AUTO THROTTLE CONTROL
Automatically increases engine RPM for more responsive performance.

1390KG
TRACTOR WEIGHT
More weight means more driveline strength, traction, stability and pushing power.

1200KG
LINKAGE LIFT CAPACITY
Lift heavier implements and tackle larger jobs with confidence.

450KG
LOADER RATED OPERATING LOAD
Move more material with every bucket load.
